BRUCE K HOPKINS  ILLUSTRATION

www.bkhopkins.com
bruce@bkhopkins.com

20 years professional experience as an illustrator using both digital and traditional media.

Freelance skills: self-motivation, creative thinking, understanding direction and meeting deadlines.

Illustration and design experience: books, technical manuals, textile art, toys, product catalogs and packaging, graphic layout and website design. Recent work is in the area of technical illustration using vector program Adobe Illustrator.

Digital skills: Adobe Creative Suite applications including Illustrator, Photoshop, Flash, Dreamweaver and InDesign, HTML and CSS.

Traditional skills: Water based media - gouache, watercolor and acrylic paint, pastel, scratchboard and more. Illustration sensibilities informed by work in the fine arts including landscapes, figure studies, botanicals and non-objective compositions.

Clients include:

VISIONEER Inc., www.visioneer.com - Manufacturer of Scanners and other digital imaging products. Client 1996 to present. Created technical illustration for printed and online manuals.
